Kunal Kumar Kushwaha

Software and Cloud Architect

About me

WHO AM I?

A person who live with own reality and achieve things what he want.

Some more things that you may know :

- Solve real life problems with software
- Automate manual and repeated works that people mostly do.
- Graduated as software engineer from India.
- Talk to computer primarily with Python, VUE, React, Docker, CI/CDs.
- Volunteers for PyCon India, PyDelhi, ILUGD
- believes in learning and teaching
- recently dropped coffee and starts green tea
- love to ride and cover long distance

Journey

graphic designer
